

Clarendon Fire Association's new addition, a Pierce 1,250 gallon Pumper, was received on June 30th, 1990.

After many months of planning and fund raising activities, Clarendon Fire Department's goal of a new pumper has been realized. After preliminary research, we discovered that our station was not adequate in size to house a new truck. We then proceeded to build an addition which took a year to complete.

Our decision to purchase a Pierce Pumper, came after many trips to other fire stations and trade shows in Vermont and New York. Many hours were spent in committee meetings before the final decision was made.

The Pierce was designed with Clarendon's growing needs in mind. Some of the special features are: built in foam capabilities, quartz lighting system, portable generating capability and state of the art top mount pump panel.

Nine years of saving funds received from your tax dollars voted for the Fire Association and fund raising activities held by the Firemen and Ladies Auxiliary, brought this project to completion.

Clarendon Fire Association thanks all townspeople for their generosity and support.

BAILEY MEMORIAL LIBRARY

The trustees have been working since March, 1990 toward the opening of the library in the town. A building has been located and the library opened for operation January 12, 1991. The library will function as a community and children's library. Library cards are available at the library at no cost to residents.

LIBRARY HOURS:
 Tuesday 9:00-2:00
 Thursday 12:00-6:00
 Saturday 9:00-1:00
 Saturday Children's Story Hour

We, the library trustees, envision a community library focusing on services to pre-school children and the older citizens in Clarendon. Our intent is to serve the recreational and basic reference needs of the townspeople, but we do not foresee the need to become a sophisticated reference library.

Our goal is to open a library utilizing donated books staffed by volunteers for 14 hours a week. Many people have offered time and materials to help get us started. The funds left by Cornelia Bailey will pay the rent and the utilities on the building, enabling us to get started and to examine more permanent sources of funding. We will be applying for several grants from foundations known to favor libraries, and we will of course attempt to raise operating funds through donations.

Carol Chatfield, President
 Bailey Memorial Library Trustees

AGREEMENT

THIS AGREEMENT between the TOWN OF CLARENDON, VERMONT (hereinafter "Town"), and THE MARBLE BANK of Rutland, Vermont, (hereinafter "Bank"), as follows:

WHEREAS, under the Will of Cornelia W. Bailey dated November 9, 1905, it was provided as follows:

SIXTH: I give and bequeath to the Town of Clarendon, Vermont, the sum of one thousand dollars for the purpose of establishing and maintaining a public library therein; said sum to be kept as a permanent fund and the income only to be used in the purchase of new books and replacing such as shall be worn out; also my two book cases and books therein contained, to be placed in the town hall in said Clarendon, to be used by the school children in said town but not to be taken away from said town hall.

WHEREAS, at the Clarendon Town Meeting held in March, 1933, Library Trustees were elected as follows: Aldace W. Newton, A. B. Weeks, Mary A. Davis, Thomas C. Pierce, and Ellen Potter; and

WHEREAS, on the 4th day of May, 1933, Articles of Association of the Clarendon Public Library, Inc. were prepared by said Trustees, and filed on May 12, 1933, however, The Certificate of Incorporation was not recorded in the Office of the Rutland County Clerk (now Rutland Superior Court) for the corporation to be deemed fully organized; and

WHEREAS, on July 17, 1941 the sum of \$1,000.00 was deposited in Account No. 56332, in the Marble Savings Bank under the name of Clarendon Public Library, Inc.; and

0004539 which account, as of December 31, 1986, had a balance of \$7,632.34; and

WHEREAS, A. B. Weeks, the original Treasurer and the person who executed the signature card is deceased as are all the other Trustees, and

WHEREAS, it appears that the intention of the said Cornelia W. Bailey would be best served by the transfer of said funds to the Town of Clarendon, Vermont for the purposes set forth in said Will, \$5,693.34 of said funds being the said permanent fund of \$1,000.00 plus accrued interest, and \$1,939.00 being Clarendon Public Library Association funds including accrued interest.

NOW, THEREFORE, in consideration of the said Marble Bank (successor to Marble Savings Bank) transferring said funds to said Town, the Town by its duly elected officers does hereby agree to indemnify and hold harmless the Marble Bank, its successors and assigns, from any and all claims of any and all parties to said fund by virtue of the origination, continuance or transfer of said fund as herein provided.

IN WITNESS WHEREOF, the parties have hereunto set their hands this 27 day of April, 1987.

TOWN OF CLARENDON

BY: Ralph Austin, Selectman
James Doherty, Selectman
Alphonse Bourassa, Selectman

SELECTMEN'S REPORT

The Board of Selectmen meet at the Town Hall on the 2nd and 4th Monday's of each month. All meetings are open to the public and handicapped accessible. Everyone is welcome to attend and participate in our town government. Your input is important in helping us to make decisions that support the needs of the community. If you have concerns you feel should be addressed but are unable to attend a meeting; please send them in writing to "Board of Selectmen, P.O. Box 30, North Clarendon, Vt. 05759". All correspondence will be reviewed and acted upon as necessary.

Please exercise your right to vote. Approximately half of the registered voters participate in elections. Your vote is vital in assuring that balloting on issues and expenditures represents the views of the majority of the community. Absentee ballots are available from the Town Clerk's Office for registered voters who are unable to come to the polls. New voters may register with the town clerk.

Highway equipment was updated this year with addition of a used tractor and mower for mowing roadsides to improve safety and visibility. An additional mile of town highway was again paved this year per voter approval.

We received a matching grant from the State of Vermont for funds to erect chain link fencing at the Chippenhook and Clarendon Flats cemeteries. We are presently in need of townspeople to act as voluntary cemetery commissioners.

As part of our continuing efforts to increase recycling newspapers are being collected at the transfer station. These papers are being shredded by the Cold River Farm on the Middle Road for use as bedding for dairy cattle.

This year a second business opened at the Airport Industrial Park. Knight Cabinets has now joined Kalow Controls. We hope to see more businesses there in the coming year.

Trustees were appointed to administer the Bailey Memorial Library Funds, which were used to establish a new library for Clarendon residents. The library is now open in North Clarendon Village at the former Kalow Control building.

David Potter has been appointed as the town's representative to work on the Vt. Bicentennial Celebration. Anyone with ideas, information or a desire to participate should contact him.

We would like to thank all of the townspeople who have taken time from their busy schedules to attend our meetings this year and hope to see even more of you in the coming year.

Respectfully submitted:

Ralph J. Austin, Chairman
Clarendon Board of Selectmen

TOWN CLERK REPORT

This year went well with no major changes occurring. I and my assistants attended a seminar and two meetings of the area Town Clerks to discuss our procedures and similar problems. Land Records Volumes 54 thru 64 were taken to Montpelier to be micro-filmed, with the film being stored in a vault in Montpelier. Hours remain the same (see back cover). Please call if you need anything and cannot make it into the office.

DOG LICENSE REPORT

NOTICE: All dogs, 6 months of age and older, shall annually on or before April 1st, be licensed. A current rabies certificate must be provided before a license may be issued. 20 V.S.A. §3581.

The Town Clerk's Office will be opened on Saturday, March 30, 1991 from 10:00 A.M. til 1:00 P.M. for the purpose of licensing dogs. You may also license dogs through the mail by sending: copy of the rabies certificate, check for the appropriate amount and a self addressed stamped envelope.

1990 Licenses Issued:	Males	113	Kennel Permits	5
	Females	59		
	Neutered Males	107		
	Spayed Females	216

TOWN OF CLARENDON BOARD OF LISTERS NORTH CLARENDON, VERMONT 05759

1990 was an enjoyable year due to the completion of Reappraisal which gave us a more current/accurate system in which to work with.

Real Estate/property sales have slowed some in Clarendon but PTR'S show values still increasing.

We will be updating Clarendon Road Card System this year along with our other duties.

NOTICE to Our Senior Citizens 62 and over: Please read your 1990 Vermont Income Tax Return subtitle: Application for Property Tax Credit Certificate. What this is, it's a certificate the State will mail to you this summer before taxes are due. It's a credit towards your tax bill. The way the system works now, you pay your tax bill and the State will pay you back a portion. Now you will get your certificate (which is money) up front. The State should send you directions with this certificate, if not give us a call. Again you must fill these two forms out in which to get a rebate for 1990 and a certificate for 1991 taxes: "1990 Vermont Homeowner or Renters Rebate Claim" and "State of Vermont Application for a 1991 Property Tax Credit Certificate".

Notice to All Mobile Home Owners:

Please record the sale of your Mobile Home with our Town Clerk. If you don't file it with the Town Clerk, YOU will still get the Tax Bill on that mobile home. The last Known owner of a mobile home on or before 4/1/9- will be the person who will get the tax bill for that year. So, please file with the Town Clerk.

If anyone has a question regarding any property/Listing/appraisal values/ or how the system works please contact our office at 775-1536.

Our office hours for 1991: 9AM to 12Noon = Tuesday, Wednesday, Thursday. We will also have evening hours 7PM to 9PM on Wednesday by advance appointment only.

We've appreciated everyones help and cooperation thru out the year.

Clarendon Bd. of Listers

RUTLAND REGIONAL PLANNING COMMISSION ANNUAL REPORT — 1990

The Regional Planning Commission has worked closely with regional communities to create a cooperative and positive planning process. With this focus the Commission believes that local plans will be prepared that provide strong local control while recognizing regional responsibilities.

During the past year the Regional Planning Commission:

- has emphasized helping communities prepare local plans that meet the needs of the community working particularly with Brandon, Wallingford, Castleton, West Haven and Poultney; also worked with Rutland City, Rutland Town, Shrewsbury, and Mt. Holly. Benson and Poultney were helped with zoning and subdivision regulations.
- Organized a grass-roots program to update the *GENERAL PLAN: RUTLAND REGION*.
- continued collecting information on natural areas in Benson, Castleton, Fair Haven, Hubbardton, Ira, Middletown Springs, Pawlet, Poultney, Tinmouth, Wallingford, Wells and West Haven.
- prepared and/or distributed copies of the State's Planning Newsletter, the Regional Commission's Newsletter and Bulletins on Citizen Participation;
- sent current copies of the state's Planning and Development Act (Chapter 117) to all Boards of Selectmen and Planning Commissions;
- continued our very successful cooperative purchasing program for fuels that has saved Hubbardton, Ira, Clarendon, Middletown Springs, Pawlet, Sherburne, Shrewsbury, Tinmouth, Wallingford, and "the Bus" and other nonprofits and school districts substantial amounts on their fuel oil, diesel and gasoline purchases;
- worked to devise strategies for dealing with solid waste; expanded work on a solid waste plan to include the 11 towns who voted out of the Solid Waste District;
- expanded our information resources and computer assistance to give you the data needed to make informed decisions on local planning and management issues;
- Begun a circuit riding transportation planning program providing assistance to West Haven, Brandon, Wallingford, Mt. Holly, Shrewsbury, Poultney and West Rutland;
- Become actively involved in regional efforts related to the Killington/Pico merger; and,
- received a grant to work with Benson, West Haven, Ira, Pawlet, Hubbardton, Tinmouth, and Wallingford to prepare a regional land evaluation and site assessment program for agricultural lands.

Please join us as we continue these and other efforts to generate regional cooperation and make planning in Rutland County a truly grassroots process.

**CLARENDON VOLUNTEER FIRE ASSOCIATION, INC.
CLARENDON, VERMONT 05759**

The Association would like to thank the Auxiliary and townspeople who have helped and supported us in 1990, making it another gratifying and successful year.

June 30, 1990 a Pierce Custom Pumper took its place as the Clarendon Fire Association's newest fire truck, bringing our fleet up to six trucks. We have planned, saved and worked hard at raising money, so that at no extra cost to the town, we were able to pay in full for the truck when it was delivered.

Some of our fund raisers were weekly bingo, our annual auction, work at the fair, coin drop and various other projects, which earned us approximately \$40,000 for the year.

In September, Captain and very good friend Stuart Blacklock passed away, leaving a great void in our department. He is greatly missed. "Thank you Stu for all that you did."

We currently have 31 members on our roster. We responded to 45 calls this past year, which required 1470 man hours and required that our equipment be in use for 167 hours. We were asked to assist with 6 Mutual Aid fires, and asked for Mutual Aid assistance 3 times.

The department was represented in 4 parades and 2 musters. At the Vermont State Firefighters convention in South Burlington the men received 7 trophies, which included the Koltonski trophy for most points in sporting events, Sportsmanship trophy and second place for Best Appearing Marching Unit with Apparatus.

In October 1990 I retired as Fire Chief after serving 6 years in that position. Lieutenant Les Cyr was elected to serve as Fire Chief for the coming year.

I would like to thank the Firemen, Auxiliary and Townspeople for the support you have given me during my years as an officer in the Clarendon Fire Association.

Sincerely,
Phil Pinkowski, Jr.

**THE CLARENDON FIRE ASSOCIATION AUXILIARY
CLARENDON, VERMONT 05759**

We thank the firemen and the many townspeople for their help and support throughout the year.

Our membership was 23 for the year. We would welcome new members in 1991. If you are interested in the work of the Fire Association and the Auxiliary and are willing to work with and for the benefit of the Fire Association, you're welcome to join. Our meetings are the second Monday of the month at 7:30PM at the Clarendon station. For more information call 438-9851.

Again this year the Auxiliary was busy with many projects and activities. Catered a dinner, held a Tupperware party, had a table at the Fall Craft Fair, sold refreshments at the Firemen's Super Bingo, sold raffle and Booster Club tickets, held a Bake Sale, sold refreshments and Flea Market items at the Firemen's Annual Auction, and sell refreshments and 50/50 tickets each week at bingo. Closed out the year with a New Years dinner/dance. We worked with the Firemen at the Fair, their Coin Drop and Annual Childrens Christmas Party. In May we marched with the Firemen in the Rutland City Loyalty Day Parade. In July, 11 of our members attended the Annual Vermont State Firefighters Association Convention in Burlington. Our ladies once again came home with 2 - First place trophies in Water Sports and 3 in Parade competition.

At our Annual Meeting in December, Officers for 1991 were elected.

President: Cindy Davis

Vice President: Tammy Parker

Secretary: Beth Sheehe

Treasurer: Nancy Meszaras

Respectfully submitted,
Beverly D. Brown, President

**RUTLAND COUNTY SOLID WASTE DISTRICT
ANNUAL REPORT — 1990**

During the past year, the Rutland County Solid Waste District spent much of its time attempting to complete a landfill search. There was an exhaustive public process that developed 21 criteria to be used to site a landfill. Ultimately almost all of those criteria were adopted by the Board of Supervisors as siting criteria. The only significant change was that the location of a landfill on prime agricultural lands was not considered a fatal flaw, though it did reduce the desirability of the site in the ranking system. This single change was made because it was perceived early on that there would be no potential sites on non-prime agricultural lands.

After identifying the criteria, a very public mapping process was used that looked at all parcels of fifty acres or larger that were on slopes of less than 25%. During this public mapping exercise the 21 citizen based criteria were applied to see if the sites met the minimum criteria. Starting with over 150 potential sites in the county, the field was narrowed to 48 by virtue of the public mapping process. The next step in the process was an initial walk-over or drive-by to determine if there were any obvious defects in the sites that did not appear on the maps.

At this next level, the District employed experts in geology, hydrology (water), protected species and critical habitats, archeology, transportation, soils, wildlife habitats and aesthetics. These independent authorities were instructed to examine sites to determine if there were problems that would prevent permitting of a landfill or that would

prevent the sites from meeting the District's siting criteria. The District was in this phase of study when two District towns that had potential landfill sites were organized to hold special town meetings for the purpose of withdrawing from the District.

The issue of withdrawing communities is a crucial issue and one which most Districts now face. Due to the unpopularity of hosting any solid waste facility, many towns have decided to not cooperate regionally rather than be the winner of the search process. This ability to opt out of the process with little repercussion is providing an easy out to towns which have sites that meet the stringent criteria. All six towns which had the minimally qualified sites have now voted to withdraw. The District could potentially find a willing seller of land for a landfill in one of these withdrawing towns, but it could not build the facility and operate it without the agreement of the host community's Board of Selectmen. On the other hand, a town that withdraws may locate a landfill on an identified site without regard to the needs of any of its neighbors.

This difficult situation clearly indicated that to continue the siting effort would result in more towns leaving the District rather than allow a landfill to be located within their town. In light of this problem, the Board of Supervisors felt that the siting effort should be suspended to allow the Legislature a chance to address the issue. The search process was suspended on September 12, 1990.

While the search for a landfill has played a major part in the District's work during 1990, we have been working on several other major programs:

- **Curbside Recycling**—During the first 9 months of 1990, a pilot curbside recycling program was implemented and run in Proctor and Rutland City. Over 2,500 households have been served. Proctor has now taken on the program as a franchised system for both waste and recyclables. During the last three months of 1990, the District has worked closely with the City of Rutland to convert the previously mandated and subsidized program to a voluntary, user supported program. In 1991, the District will be implementing curbside recycling throughout the balance of Rutland City and will be looking for other villages that would be interested in starting a curbside program.
- **Metal Collection**—We have organized several very successful metal collection programs that have been District-wide as well as community based. We have processed thousands of yards of metal scrap this year at no cost to the various communities. We will be looking to make this program even more effective in the coming year.
- **Household Hazardous Waste**—After a three year absence, the District again hosted a District-wide household hazardous waste collection day. This one-time event resulted in more than 200 households dropping off their hazardous waste. This is more than twice as many as participated in 1987. We are now making plans for setting up collection programs at all District transfer stations on a monthly basis. We hope that this improved program will result in much higher usage as we try to clean up our waste stream. About a third of one percent of the solid waste stream is household hazardous waste.
- **Special Wastes**—We have expanded our tire collection program of last year so that we are now organizing auto battery and waste oil collections as well. Many transfer stations will soon have waste oil collection tanks in place.
- **Operation of a Regional Transfer Station**—During the past year, we provided a regional transfer station for commercial haulers and operated a transfer station for the public at the site of the former Rutland City landfill. Between 25% to 33% of the District's waste goes through this transfer station. This operation has also provided the District a base of operations for many of our regional collection programs. While we are phasing out the commercial hauler operations, the transfer station will remain open to the public in the future.

What is planned for the future? 1991 will see further expansion of existing programs to manage wastes through recycling. In addition, we will be making plans to implement composting as part of our waste management strategy. Planning will become a more important part of our efforts in 1991 as we complete an analysis of long-term waste management options and draft a solid waste management plan that should carry us into the 21st century. As a plan will be only as good as the capacity to implement it, we will be looking for concrete ways to provide long term solid waste processing and disposal services to the District. During the coming year, we will undoubtedly be looking once again at incineration services from the private sector, as well as a District landfill, recycling and composting facilities. While looking for long-term management options, we will still be providing a day-to-day disposal option for our towns, as we have during the past ten years. By maintaining our large volumes (two thirds of the entire county's trash), we hope to provide these services at the most economical rate. The cost to District users will be in the form of a tax on trash actually disposed of by commercial haulers and will be about \$3.00 a year for the average family.

**REGIONAL AMBULANCE SERVICE, INC.
ANNUAL REPORT
(Fiscal Year Ending June 30, 1990)**

To the Honorable Citizens of the Town of Clarendon, VT:

As we move from the eighties into the nineties we are pleased to report to the Citizens of the Town of Clarendon that your community ambulance service has continued to provide dependable, quality care. Regional Ambulance Service, Inc. has continually provided emergency and non-emergency ambulance service since 1983. During our seventh fiscal year, ending June 30, 1990, the service responded to a total of 3,946 calls.

With the continued support of the citizens, our employees and community governing bodies, we were again able to provide our sixth consecutive year of service using the same assessment rate with out change. We extend our appreciation to everyone for their support.

The service commitment to providing dependable equipment was accomplished by continuing to replace one vehicle each year. This year we replaced a transport ambulance that had provided over 100,000 miles of service in three years. This purchase, along with the replacement of some small equipment each year, assures you our professional staff is well equipped to provide quality care.

Public education and awareness programs were increased during the past year. C.P.R. classes, tours, demonstrations and a variety of public education classes were implemented to help educate the public of our service. Our professional staff continues to strengthen its commitment to our communities by performing these and other projects in addition to their normal caring duties. Our professional staff is also extremely capable and dedicated. The public is encouraged to visit and talk to the employees and administrator at our Stratton Road facility. Please feel free to contact James Finger, Administrator, or your representative, Doris Weeks, if you have any questions concerning the service.

This report and the training area of our facility has been dedicated in grateful memory to David R. Melen, President of the Board of Directors from 1984 to 1989. His leadership and dedication were recognized by all.

We are proud of our accomplishments and look forward to serving you in the future. The Board of Directors and Administration of Regional Ambulance Service, Inc., will continue striving to provide the highest quality of emergency ambulance care at the lowest possible cost to all of the citizens we serve.

Sincerely;
Doris Weeks,
Town of Clarendon
Representative

Amelia Taylor, President
Board of Directors

RUTLAND AREA VISITING NURSE ASSOCIATION, INC.
FLORY PLAZA, P.O. BOX 226
CENTER RUTLAND, VERMONT 05736
ANNUAL REPORT
1989-1990

TO: Citizens of Clarendon,

I would like to express our appreciation for the support that your community gave to the RAVNA. We continue to care for people that are ill, frail, elderly or handicapped that wish to remain at home. The town funds are used for people that don't qualify for Medicare, Medicaid, Insurance, or other payment programs, and must be put on a sliding fee policy. The hospitals are discharging much earlier so people need more extensive care. We now have a high tech nursing team which provide very highly skilled treatments at home.

The following services were provided to your town:

Unduplicated patients — 30			
Skilled Nursing Care	— 672 visits	Speech Therapy	— 20 visits
Home Health Aide	— 593 visits	Homemaker	— 192 visits
Physical Therapy	— 83 visits	Clinic Services	— 0 clinics
Occupational Therapy	— 11 visits	Prenatal Couples	— 1 couple

Most of our referrals come from hospitals, physicians or other agencies, but if you know of anyone in need of help, don't hesitate to call our office. Rutland 775-0568, 24 hours a day, 7 days a week. In Castleton 468-5668 or Brandon 247-3111, Monday thru Friday, 8:00 a.m. to 4:00 p.m. We have staff, on call, for all areas 24 hours a day, 7 days a week.

Our Agency is in the process to become a *Certified Hospice* Agency under Medicare working jointly with the Hospice Volunteer Organization. This will provide a needed service to all our communities helping terminally ill people remain at home. This will require financial support from all of our towns, but will provide better quality of life for all terminally ill patients that wish to stay home. It is also less expensive than having to remain in a hospital.

Thank you for your continued support of the FAVNA. Our Agency could not provide all the needed services without your help.

Sincerely
Evelyn Doyle
Executive Director

SOUTHWESTERN VERMONT AREA AGENCY ON AGING
Report to Residents of Clarendon

In fiscal year 1990, the Southwestern Vermont Area Agency on Aging served 59 residents of Clarendon with our meals program, senior advocate and other services. There were 2009 meals delivered to 18 homebound persons in Clarendon. Meals on wheels are vital to many persons and help them to remain in their own homes. 863 meals were served to residents of Clarendon in the Grange Hall. 41 residents participated in that program.

Senior advocates assisted 32 Clarendon residents with a variety of services including applications and problem resolution in benefit programs such as Medicaid, Foodstamps, and S.S.I. Advocate staff also helped elders who had questions or problems related to health care payments, insurance claims, Vermont tax rebate claims and energy assistance.

The total expense of the agency attributed to delivery of services in Clarendon was \$30,533 for 1990. The town contributed \$800 toward the program costs. We are thankful for your help. State and federal funds, as well as participant donations made up the balance.

Services of our agency are available to anyone aged 60 or older. For further information about the services we provide, information about other services available to elders in our region or to make an appointment with a senior advocate, please call 775-0486. For meal reservations call Shirley St. John at 492-3525.

Respectfully submitted
Eleanor A. Hart
Nutrition Program Director

RETIRED SENIOR VOLUNTEER PROGRAM
ANNUAL REPORT — 1990

Dear Residents of the Town of Clarendon:

The Retired Senior Volunteer Program is a nationwide program for people 60 and older who want to help meet community needs through meaningful use of their skills and knowledge in volunteer service to non-profit organizations.

In 1989, 404 RSVP volunteers throughout Rutland County contributed over 60,000 hours of service to more than 90 not for profit organization.

Currently there are 11 active RSVP volunteers from No. Clarendon who donate their time to the following organizations: American Cancer Society, American Red Cross, BROCC, Eden Park Nursing Home, McKerley Health Center, Nat'l. Council Sr. Citizens, RSVP Friendly Visitor Program, Rutland County Court Diversion Program, Rutland Regional Medical Center, Rutland Senior Chorus, Stephen R. Gaiko Foundation, SW VT Area Agency on Aging, VT. Dept. of Health, WSYB Christmas Fund. Their combined hours of service totalled 1216 in 1989.

We encourage and invite any senior citizen to call RSVP at 775-8220 to learn more about volunteering with the RSVP program. The benefits are many: service to your community, recognition, acceptance and a sense of purpose.

We thank the voters of the Town of No. Clarendon for the support that has been shown RSVP over the years and we pledge our continued efforts to be of service to all of you.

Sincerely,
Anne P. Rowe, Director

RUTLAND MENTAL HEALTH SERVICE, INC.
78 South Main St., Rutland, VT 05701

To the Residents of Clarendon:

Rutland Mental Health Services, Inc. has been very active in your community in this past fiscal year providing psychoeducational assessments and family interviews in order to help develop the most appropriate educational plan for students with learning/behavioral difficulties, who are referred by your school.

Our substance abuse program has enabled us to better address the growing need for drug and alcohol treatment. Our (*The Evergreen Center*) Quitting Time Program is an intensive, evening outpatient alcohol treatment program for adults which runs Monday thru Friday from 5-9 pm.

The Associates in Child and Family Services, our affiliate, 65 Grove Street in Rutland, has provided services to Clarendon residents for child, adolescent, parent, couples. The following reflects specifics as to services to your community:

Service	Number of Visits/Units
Crisis Intervention	69
Adult Brief Therapy	90
Substance Abuse Treatment	157
In-Patient Psychiatric Care	1
Pre-Care/After-Care Clinic	170
Mental Retardation Case Management	227
Child and Family Treatment	185
Total	899

Your town funds are used to support these essential programs which provide preventive, educational, and therapeutic services directly to the people of Clarendon. The fees we collect for these services generate only a portion of the actual cost. The remainder must come from State, Federal, and local funds, such as United Way and Town Giving. Your support in the past has been greatly appreciated.

We invite you to contact our main office (775-2381) with any questions you may have.

Sincerely,
 Gilbert D. Aliber
 Executive Director

Lyle A. Gray, President
 Board of Directors

III. SUPERINTENDENT'S REPORT

A. Enrollment:

As illustrated by the enrollment tables above the enrollment for the current school year is at a record high at 336 students. Next year most, if not all, grades will have more students than can be reasonably accommodated by two classes. The number of Clarendon students attending Mill River has increased significantly over last year. We expect this upward trend to continue through next year.

**CLARENDON TOWN SCHOOL DISTRICT
ANNUAL REPORT (Cont.)**

B. Personnel:

All school personnel, along with their assignments, are listed on page one of this report. New staff members for the 1990-91 school year include: Carol Mangan, supplemental reading teacher; Susan Crowther, supplemental reading teacher; Pamela Laubscher, resource room teacher; Margie Congdon, health teacher; and Kandy Thomas, teacher assistant. We welcome these new members to our staff. We commend all staff members for the special efforts they make on behalf of our students. Special recognition goes to Kathy Jacob who was selected for a Presidential Award for Excellence in Science and Mathematics Teaching. Also, Neva Pratico for her leadership in the exchange program with students and schools in the Soviet Union.

C. Curriculum:

As has been the case over the past several years, we continue to apply significant energy and resources in the areas of curriculum and staff development. Robert Snarski, our principal, and Shayne Lylis, the Rutland South Director of Curriculum and Staff Development, are providing outstanding leadership in these areas. This year's work has focused on a number of areas including the following: instructional practices for the early learner, with special assistance from Dr. Dee Dee Jameson of the University of Vermont; coordinating curriculum through instructional teams; continued and ongoing communications with parents; development of instructional guides; and programs for the assessment of student progress. In each of these areas we are working to improve programs and to sharpen the skills of our teachers. We commend staff members who have made extra efforts in these areas: Patricia McLaughlin and Monica Loyzelle, our grade one teachers; Kathy Jacob, Machele Pilcher and Robert Snarski, members of our portfolio committee. Also, this past year there was a school wide program of study on the Soviet Union involving an exchange of students and teachers with schools in Russia. We commend all students, teachers and community members who contributed to the success of this project.

D. Facilities:

The Clarendon Elementary School facilities provide an excellent setting for our instructional programs and the additional space provided by the 1989 addition is helping us to meet the needs of our expanding school population. The school board is still involved in completing the land purchase authorized by the voters. Completing permit applications and complying with state agencies is requiring more time and energy than anticipated. We are moving ahead with the project and hope to have it completed in the near future.

E. Budget and School Taxes:

The 1991-92 proposed school budget is contained within the financial statements of this report. Proposed expenditures are \$1,620,598.00 for the operation of the elementary school, with \$424,954.00 to be raised by taxes. This represents a 6.6% increase in expenditures. Excluding the increase in special education costs, this would only be a 5.5% increase. A major portion of the increase is attributed to the increase in the number of students.

**CLARENDON TOWN SCHOOL DISTRICT
ANNUAL REPORT (Cont.)**

As noted under the discussion of enrollments above, there has been a significant increase in the number of Clarendon students attending Mill River. As a result, Clarendon's share of Mill River's operational costs has increased significantly. Although Mill River costs have increased only five percent, Clarendon is picking up the majority of this increase through additional students.

F. Teacher Salary Schedule:

The Clarendon teacher salary schedule for the 1990-91 school year has a base salary of \$17,963 for a beginning teacher with a Bachelors Degree. Increments of \$700 are paid for advanced training and additional years of teaching experience. A teacher with 30 credit hours beyond a Masters Degree and with 19 years of experience can earn the maximum salary of \$34,763. The average salary for Clarendon teachers is \$26,885 for 1990-91. This compares with an average teacher salary for the state of Vermont of \$31,709, according to the most recent information from the VSBA. Negotiations have not been completed for the 1991-92 school year.

G. Special Education:

The Rutland South Supervisory Union administers special education programs for the students of Clarendon, Shrewsbury and Wallingford. These programs are in compliance with P.L. 94-142 and support the goals for providing full educational opportunities for all handicapped youngsters. Under recently enacted state legislation these programs are funded jointly by local and state funds which are sent to the supervisory union and then subgranted to the local district. All revenue and expenditures are contained in the financial reports. A summary of these amounts is listed below. Special education costs are increasing because we now have more students who need these services.

	Actual 89-90	Budget 90-91	Budget 91-92
Special Ed. Expenditures	158,403	184,646	202,525
State Revenue	133,798	124,565	129,565
Other Revenue	0	10,550	10,550
Net Local Costs	24,605	49,531	62,410

H. Chapter I Program

The Rutland South Supervisory Union administers the Federally funded, Chapter I Program which serves eligible students in Clarendon through two programs. The first program provides remedial reading and math instruction to school-aged youngsters. The second is a small, home based, preschool program serving eligible four-year olds. Shirley Bingham coordinates and supervises these programs. Shirley Loomis and Terry Jakubowski provide remedial reading and math instruction and Jan Tofferi works with parents and students in preschool. Parents or others wishing to comment on these programs are encouraged to contact Shirley Bingham. Telephone (802)-775-3264.

I. School Board Meetings:

The Clarendon School board meets on every second and fourth Tuesday of each month at 6:30 p.m. in the library of the elementary school. Also, the Board holds special meetings to transact other business such as personnel negotiations.

**CLARENDON TOWN SCHOOL DISTRICT
ANNUAL REPORT (Cont.)**

J. Nondiscrimination Policy:

The Clarendon Town School District offers employment and educational opportunities without regard to sex, race, color, national origin or handicap. Inquiries regarding this nondiscrimination policy may be directed to: Henry J. Burnham, Superintendent. Telephone (802)-775-3264.
